

St. John the Baptist Parish School

BULLYING POLICY

St John the Baptist Parish School is a chilsafe organisation in compliance with Ministerial Order 870

Definition

Bullying is when someone, or a group of people, upset or create a risk to another person's health and safety - either psychologically or physically - or their property, reputation or social acceptance on more than one occasion. Bullies are people who deliberately set out to intimidate, exclude, threaten and/or hurt others repeatedly. Bullying is a clear form of harassment.

Cyber bullying involves the use of information and communication technologies to support deliberate, repeated, and hostile behaviour by an individual or group that is intended to harm others. People who use the internet, email, intranets, phones or similar technologies to bully others are cyber bullies and are breaking the law.

Rationale

- The school will provide a positive culture where bullying is not accepted, and in so doing, all will have the right of respect from others, the right to learn or to teach, and a right to feel safe and secure in their school environment.
- Bullying in any form is unacceptable. Bullying that is carried out through an internet service, such as email, chat room, discussion group or instant messaging or through mobile phone technologies such as short messaging service (SMS) is cyber bullying. Cyber bullying will not be tolerated at any level, and consequences exist for students who choose to bully others.

Aims

- To reinforce within the school community what bullying is, and the fact that it is unacceptable.
- Everyone within the school community to be alert to signs and evidence of bullying and to have a responsibility to report it to staff whether as observer or victim.
- To ensure that all reported incidents of bullying are followed up appropriately and that support is given to both victims and perpetrators.
- To seek parental and peer-group support and co-operation at all times.

Implementation:

- Parents, teachers, students and the community will be aware of the school's position on bullying.
- Teachers will be regularly reminded of their duty of care regarding protection of students from all forms of bullying.
- The school will adopt a four-phase approach to bullying.

A. Primary Prevention:

- Professional development for staff relating to bullying, harassment and proven counter measures.
- Community awareness and input relating to bullying (including cyber-bullying), its characteristics, its effects on victims and the school's programs and response.
- All students to be provided with individual and confidential computer passwords. Processes to be put in place to ensure tracking of student activity on the school's computer equipment and network. Firewalls to be installed to eliminate outside traffic into the school's network and intranet.
- The curriculum to include anti-bullying messages and strategies
- Student Representative Council, peer support delegates, staff and students to promote "Say No to Bullying" Day
- Electives and structured activities available to students at recess and lunch breaks.

B. Early Intervention:

- Promote children and staff reporting bullying incidents involving themselves or others.
- Classroom teachers and principal on a regular basis reminding students and staff to report incidents of bullying.
- Regular monitoring of student traffic on school's computer networks to identify potential problems.
- Parents encouraged to contact school if they become aware of a problem.
- Students are provided with a designated safe and quiet place for children to access at recess and lunch times.
- Public recognition and reward for positive behaviour and resolution of problems.

C. Intervention:

- Once identified each bully, victim and witnesses will be spoken with, and all incidents or allegations of bullying will be fully investigated and documented.
- Students and staff identified by others as bullies will be informed of allegations.
- Parents to be contacted.
- Both bullies and victims will be offered support.
- Removal of cyber-bullies from access to the school's network and computers for a period of time. Loss of privilege to bring a mobile phone to school for student's who bully via SMS or similar telephone functions.
- If student bullying persists parents will be contacted and consequences implemented.
- If staff bullying persists the principal will commence formal disciplinary action.
