

St. John the Baptist Parish School

DRUG EDUCATION POLICY

Rationale

Drug Education is a joint responsibility between school, home and the broader community. Drug Education will be provided at all levels of schooling and will include specific drug education curriculum as well as resilience education, problem solving skill and appropriate coping strategies.

Aims

- To provide all students with a comprehensive, age appropriate drug education curriculum.
- To ensure that drug education is embedded across all key curriculum learning areas.
- That resilience education forms a strong basis for drug education at our school.

Implementation

- Appropriate resources will be used to enhance the curriculum eg. Life Education and other Australian Government resources.
- Drug Education will be inclusive of resilience education and will encompass problem-solving skills and appropriate coping strategies at all year levels.
- All students at our school will participate in a sequence of learning based on the Victorian Curriculum.
